UK Film Industry Internship

About our Client
Are you passionate about film and want to work in the film industry, but don't know your way in

the industry? Our client in London is looking to recruit an ambitious intern that can display the

following features;

• Excellent written and spoken communication skills

• The ability to work as part of a team

• A passion for film and a desire to learn

• Experience of using Microsoft Office packages and email

Role
The aim of this project is to help contribute to make the film industry more inclusive. By doing so, you will get a full office-based training on the know how of the film industry.

What's involved?

- • Eligible to work in the UK
- • Intern is doing Media and Entertainment course or equivalent
- • No experience or new entrant into the film industry is overwhelmingly welcomed
- • Intern will be entitled to 2 weeks leave, subject to agreement with the client
- • Intern will work on a full-time basis Monday to Friday from 09:00-17:00
- • Intern will attend regular training sessions with other trainees from different departments,
- which will further enhance their employability skills and knowledge of the film industry
- • Intern will be paid a weekly training allowance which is £315.00 an equivalent to the
- London average Living Wage which will be exempted from tax and National Insurance
